

12b§1-22

Finland and the End-Time Awakening

[▲ The heading has been corrected]

Shalom!

^ We would be living in the final moments of the church ages. Finally some believers will be received and others left. Some were ready for heaven, others were not (Mat. 24:40-44).

Prayer of them who strive to be like-minded (Phili. 2:1-2), and who strive for the following, James 1:21-22, <Therefore, get rid of all moral filth and every expression of evil, and humbly accept the word planted in you, which can save your souls. 22. Be doers of the word, and not hearers only.>

✕ From about the year 2011 I have been a member of the 'Kääntöpiiri' church in the town of Lahti, Finland, and have been involved in its activities. I testified on 2021.12.15 at a prayer meeting, where all pastors were present and a total of about 15 people: I feel that the Holy Spirit has confirmed to me that Easter would be the rapture of believers, of whom I hope and believe to be one.

I had also testified to the same thing before, although not with a specific date (1c§1-3).

✕ 2022.1.1 the Holy Ghost led me to watch the Tv7 New Year's celebration in the town of Loimaa, Finland. Miko Puustelli, the pastor of my church, had been announced as the speaker for that evening. But Miko's arrival was prevented because his family had been exposed to the Covid-19 virus at Christmas.

Tv7 is a Christian television station in Finland, which provides almost every weekday a free news broadcast in English of and from Israel (along with many other current affairs programs). They can be viewed online, for example: <https://www.tv7israelnews.com>

✕ It was a very wonderful gathering. I believe that God's Spirit Itself spoke through the pastor and his wife, Teemu and Minna Tapio.

Here is my summary of it:

= In God's spiritual army, every believer has their own task. And the seamless cooperation of believers would give the best result. It is A TIME OF BREAKTHROUGH when the Lord calls each of us. The starting signal was necessary so that we and many others surrender to acts of repentance and purification.

God has declared war on all forces of darkness here in Finland. Now is the time to get ready. Soon the Lord Jesus will come to get His Bride Church. After that, the Antichrist will take over world domination. =

✘ I saw a similar prophetic message on the same New Year's day through the couple Jan and Joyce Cedercreutz at the same television station. Under the title Bread that satisfies hunger, water that quenches thirst.

Here is my summary of Joyce's words:

= There is a huge number of starving people who are crying out for food. A great cry rises to God, on different sides of the world. Help! Help! Help, Lord!

But God has heard it and ALREADY ANSWERED. Unfortunately, His answer has not been heard when, amid darkness, He did send the glad tidings of the Gospel. =

✘ Through TV-7, the revival here in Finland would have begun. Unfortunately, after this, the waiting for the revival begins again. Each time is returned to the starting point. Not big enough numbers of people would have come to faith yet. However, it must be taken into account that the apostasy from Christianity has begun and that it affects the numbers that come to faith. The revival around God's end-time prophet was and is simply not noticed. Same as in the past around God's prophet John the Baptist (1d§1-3, 2The. 2:3b-4aa and Mat. 17:10b).

On the whole, the times of us Gentiles have been fulfilled, since 1967. There is no longer a basis for new major events. Every day our Bridegroom can come. Every day we should expect Him (3b and 3e§12, Luke 21:32)!

✘ The last revival of the church would be as special as the first (Acts 2:17-22).

Because, that is what the early apostles had referred to (Joel 2:28-32).

✘ It is specifically the revival before the Day of the Lord (Joel 2:31b).

The prophet Malachi had spoken of the same day. God had promised to send the prophet Elijah to prepare the Messianic and Christian believers before that day {Mal. 4:1-6 (6k§6(8)10)}.

✘ In addition to that, Joel's prophecy had spoken about autumn and spring rains, the first and last rains. (Compare the names of these rains with Israel's rainless summer, Joel 2:23.)

First there had been the revivings of the first autumn rains, the perfect teachings of the Lord Jesus and of His apostles. And at the end come the revivings of the spring rains.

✘ In our end-time we must seek a similar teaching. The teachings of the Lord Jesus and of His apostles should be rediscovered. Therefore, we have to seek and find both this prophet and the messenger of the seventh church age (5c§6(8)10, 8a§89₁156, Rev. 10:7).

He/She, who would be one and the same person, initiates the reviving during the spring rains. Personal awakenings around the world with fasting, weeping, and mourning for Judah and Jerusalem (Joel 2:12-3:1; also Ezek. 9:1-6 (8c§89₁156)).
